

# IGMO Participation Certificate

presented to

## Angad Singh

For acknowledgement of their participation in the first round of IGMO 2023.

IGMO is a free to enter online Mathematical Olympiad style competition created by GAMMA, a group of math enthusiasts with a combined following of over 500,000.

It hosts over 2000 participants from 80 countries yearly and has a combined prize pool of \$2000, making it one of the largest mathematical contests every year.
